To,

The Owner/ Chief Executive Officer,
M/s. Everlast Plastic (Pvt.) Limited,
W1/27 & W1/28, Eastern Industrial Zone,
Port Qasim, Malir, Karachi.

SUBJECT: ENVIRONMENTAL APPROVAL FOR THE IMPORT, TRANSPORTATION & PROCESSING OF SCRAP/ WASTE OF PLASTIC POLYVINYL CHLORIDE (PVC) & POLYETHYLENE (PE) BEARING HS CODE # 3915.1000, 3915.3000 & 3915.9000 (500 MT/ MONTH)

This is with reference to your letter vide No. Nil dated 16-10-2024 received along with Environmental Management Plan (EMP) Report of **M/s. Everlast Plastic (Pvt.) Limited**. Sindh EPA has examined your request regarding import, transportation & processing of scrap/ waste of plastic polyvinyl chloride (PVC) & polyethylene (PE) bearing HS Code 3915.1000, 3915.3000 & 3915.9000 (500 MT/ month) and accords its approval as per Import Policy Order 2022, Ministry of Commerce, Government of Pakistan with subject to compliance of following conditions:

- i. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall be liable for compliance of Sindh Environmental Protection Act-2014 and its Rules & Regulations made there under.
- ii. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall not violate any Government Laws, Rules, or Regulations concerning the import of scrap/ waste of plastic polyvinyl chloride (PVC) & polyethylene (PE).
- iii. That the proponent shall liable for compliance with Section 11, 12, 13, 14, 19 & 20 of the Sindh Environmental Protection Act-2014.
- iv. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall install pollution control equipment, devices, and mechanisms for the treatment of wastewater, air pollution, and noise levels to minimize adverse environmental effects. All emissions and effluents shall be kept within the permissible limits of the National Environmental Quality Standards (NEQS) and Sindh Environmental Quality Standards (SEQS).
- v. This approval is valid only for import of consignment bearing HS Code 3915.1000, 3915.3000 & 3915.9000 (500 MT/ Month) inspected by valid pre-shipment inspection company listed Appendix-H of Import Policy Order (IPO).
- vi. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall maintain complete qualitative & quantitative record about import of all scrap/ waste of plastic polyvinyl chloride (PVC) & polyethylene (PE) under above referred HS Code 3915.1000, 3915.3000 & 3915.9000.
- vii. That the proponent shall ensure all mitigation measures during handling/ usage, transportation & storage of scrap/ waste of plastic polyvinyl chloride (PVC) & polyethylene (PE) at the facility of **M/s. Everlast Plastic (Pvt.) Limited**.
- viii. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** is required to install pollution control equipment for the abatement of pollution. Furthermore, the said company owner/ director must submit a time-bound action plan for the installation of the said pollution control mechanisms/ devices to this Agency.
- ix. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall **NOT SALE/ TRADE** imported raw material "scrap/ waste of plastic polyvinyl chloride (PVC) & polyethylene (PE)" under HS Code (3915.1000, 3915.3000 & 3915.9000) defined in the Import Policy Order 2022.

Always Remember---Reuse, Reduce & Recycle

- x. A complete code of health, safety and environment (HSE) shall be developed, which include efficient parameters at specific work place.
- xi. That this approval is not applicable for import of any ban items from the Ministry of Commerce Govt. of Pakistan or any other item for which restriction is made under any Multilateral Environmental Agreements (MEAs) including Basel Convention.
- xii. That activity of the proponent should not cause Environmental damage on land, air, water. The cost of damage to Environment, Property & Life of people/workers shall lie on the proponent of **M/s. Everlast Plastic (Pvt.) Limited**.
- xiii. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall be responsible for submission of Environmental Monitoring Reports (EMRs) on regular basis. However, the Lab analysis report of Sindh EPA certified laboratory would only be acceptable.
- xiv. All employee shall be trained appropriately to work on EMP effectively and proponent shall be sole responsible of implementation of EMP.
- xv. That in case of any emergency, loss, damage, the proponent of **M/s. Everlast Plastic (Pvt.) Limited** is bound to compensate the affected and make it good as original.
- xvi. That the proponent shall also strictly comply with Government Laws Federal as well as Provincial in respect of import, handling & transportation of scraps bottles & pet flakes including follow to all Multilateral Environmental Agreements (MEAs).
- xvii. The proponent will also submit certificate of scrap material from exporting country/ company in respect of each consignment imported. That, at time of consignment landed at any port situated at Sindh Province, the proponent must contact with SEPA for verification of each consignment and its inspection of scrap being imported.
- xviii. That the proponent of **M/s. Everlast Plastic (Pvt.) Limited** shall strictly liable for compliance of Section 17 of SEP Act-2014 and its Rules. No violation of any rules, regulations and provisions of the SEP Act-2014 shall be made.
- xix. That this approval is not valid for import of **HOSPITAL PLASTIC SCRAP/ WASTE, USE OF PLASTIC SCRAP AS FUEL IN THE FACTORY, SALE TO LOCAL INDUSTRIES FOR USE AS FUEL & RE-SALE TO LOCAL INDUSTRIES FOR RECYCLING**.
- xx. That the proponent shall be exclusively responsible for information provided supporting documents through audit report of **M/s. Everlast Plastic (Pvt.) Limited** for its renewal of approval. In case of any misrepresentation/ concealment of facts then this approval shall stand cancelled without any notice.
- xxi. That the proponent shall comply with the prevailing legislation and mitigation measures mentioned under the Environmental Management Plan (EMP) report.
- xxii. Sindh EPA shall visit the unit for checking the compliance of Environmental Law and its Rules on regular basis. No hurdle shall be created for this Agency Staff during entry & inspection of the unit. Sindh EPA may propose further mitigation measures in the light of recommendation of visiting team at any stage.
- xxiii. Sindh EPA also reserves the right to issue instructions for an independent audit at any stage of the facility and to stipulate additional conditions and the proponent of **M/s. Everlast Plastic (Pvt.) Limited** in a time bound manner will have to implement those conditions.
- xxiv. In case, the proponent intend to involve in any other process or change, extend nature of business, he shall approach this Agency for formal approval after addressing all requirements of SEP Act-2014 and all other applicable rules & regulations including conventions/ protocols or any other law being enforced at any stage.
- xxv. That this approval is not valid for court matter/ land dispute.
- xxvi. This approval does not absolve the proponent of the duty to obtain any other approval or consent that may be required under any law in force.
- xxvii. The competent authority may revise or amend this approval as and when if deemed necessary in the Public/ National interest and proponent shall be liable for compliance of that condition.
- xxviii. This approval is valid for **ONE (01) year** and shall be expired on **24-10-2025**.

This is issued with the approval of Director General, Sindh EPA.

Deputy Director (Technical)
For Director General, Sindh EPA
